**HARVEST OF HOPE IS. . .**  
**A Fulfilling Week of Service**  
**Gleaning for the Hungry**  
**Christian Worship**  
**Hunger Education**  
**Christian Community and Fellowship**

---

*Are there really hungry people in the world?*  
*What should Christians do about hunger?*  
*What can one person do?*

**H**ARVEST OF HOPE offers an intensive work camp experience centered on hunger here in the U.S. and around the world.

During the week, we'll spend the morning hours in the fields gleaning food to feed the hungry.

One day we'll work in local agencies and one evening we'll experience a hunger awareness meal.

We will learn about the realities of hunger and we'll spend time together in worship.

And, at Harvest of Hope we'll make new friends and have fun! Won't you come join us this summer.
